AS THE MANAGER OF PARKER'S CAMPAIGN

Indiana Man Hurries to New York to Attend the Conference of Leaders To-Night and Will Probably Be Chosen Chairman of the National Committee.

GORMAN AND GUFFEY HERE TO AID IN MAKING PLANS.

All the Outsiders Are Urging that a Vote-Getter Be Nominated for Governor of New York to Help Parker Carry the State.

Democrats from every section of the country are in the city to-day for the big conference which is to take place at the Hoffman House

The main object of this conference is to select a man to lead the National Committee who will put up a strong, vigorous campaign and about whose ability to placate every faction of the party there can be no doubt. At the same time these national Democrats are going to tell the Democrats of New York that this State must be carried for Parker an Davis, and that a candidate with vote-getting qualities must be selected for gubernatorial honors, regardless of the private ambitions of certain indi viduals.

MAY ELECT TAGGART.

The race for the Chairmanship of the National Committee now loos like a walkover for Thomas Taggart, of Indiana. Personally and through his powerful friends in the Middle West Taggart has sought this place, and his keenest competitors do not deny that he has qualities which make wir ners. John W. Kern, of Indiana, Taggart's closest friend, apparently se tled the matter when he saw Judge Parker at Esopus yesterday, for to-that Mr. Kern sent a long despatch to Taggart, and a despatch from Indianapoli in reply said that Mr. Taggart, who has been summering at French Lici Springs, had left that place in a hurry and was on the way to New York.

After his interview with Judge Parker yesterday Kern denied that he

followed by a fine throw to second for BIG DEMOCRATS WHO ARE HERE.

It is a long time since there have been so many Democrats of national importance in this city at once. Ex-Senator Henry G. Davis, of West Virginia, the candidate for Vice-President, is at the Fifth Avenue Hotel, and John R. McLean, of Ohio, who arrived here this morning, has gone toric to keep him company.

At the Waldorf-Astoria are Mr. Kern, Senator Joe Bailey, of Texas, and Norman E. Mack, of Buffalo. Senator Gorman and Guffey, of Pennsylvania. are at the Holland House, and Senator Hill and Mr. Sheehan are at the Hoffman House. In all the other Broadway hotels there are Democrats of importance registered and by to-night more are expected. The present planis to hold the conference in the Fifth Avenue Hotel, a Republican stronghold, but the plans may be changed later in the day.

HUNT FOR NOMINEE FOR GOVERNOR.

What New York Democrats were interested in to-day was not so muse. the head of the National Committee as who is going to be the candidate for Gavernor. It will take a lot of Jipiomacy to hurdle this situation successfully. There is Grout, openly after the place; Jerome in a receptive mood. McClellan not saying anything but willing to run if Tammany can get. recognition enough to name the man, and Littleton in all the thross of a new ambition, born since he made that epigrammatic nominating speech

Many of the big Democrats say it will be a serious mistake not to let Tammany name the candidate for Governor. They know that Tammany has got to carry the State if it is carried at all, and they know enough of human nature to realize that Tammany's big vote is not apt to come our when the Tammany leader is tossed aside and disregarded for the benefit of a lot of smaller leaders.

The New York Democrats will probably be told to-night that they must agree on some one pretty soon, and that it must be the man who can get the votes. Jerome may have the vote-getting qualities, but after the last campaign, when he attacked McClellan personally and ripped Charley Mutphy fore and aft, he can never count on the least Tammany support.

As the situation now stands the out-of-town Democrats, who have th nterest of the national ticket at heart, are extremely likely to tell all the factions in this State that the best possible politics they can play is to give Tammany Hall the Governorship.

When Ex-Senator Davis was seen at the Fifth Avenue Hotel and asked about the conference to be held to-night he declared that he did not know

who had called the Democratic leaders together. "Do you know where the conference will be held?" Mr. Davis was

"I do not," he replied, "but I expect to learn later in the day." The ex-Senator said that he had been invited by Judge Parker to visit

In the third race Torchello was always the choice, going to the post 9 to 5. Agrie was strongly played, and so was Tramotor.
